

Word of Life Florida Youth Camp

Dear Parent, Guardian, or Youth Leader:

On behalf of the Health Center staff at Word of Life Florida Youth Camp we would like to welcome you to camp! There are a few things you need to be aware of and help us with in order for our registration process to run smoothly on the first day of camp.

HEALTH FORM

- A Doctor's appointment is not necessary to complete this form.
- The Health and Activity Record (front and back) and the Medication Form must be completed in its entirety.
- One or both parents or guardian must sign this form.

MEDICATIONS

- All medication must be turned in at registration.
- Group leader – collect all medications from campers prior to check-in. Please have each camper's medications in Ziploc bags labeled with the camper's name. Collect and alphabetize health forms.
- All prescription medications need to be properly labeled and in the original container for that specific camper.
- All medications need to be administered per doctor's order on the label. Any changes in dosage or schedule need to be authorized in writing by the camper's physician, and turned in with the medication at registration.
- **Camper must be able to administer his own injections.**
- Please do not mix medications. Each medication needs to be in its original pharmacy container.
- All over the counter vitamins and medications such as Tylenol, Midol, or cough syrup must be in its original container and turned in to the nurse at registration.

HEALTH SCREENING

- Word of Life camps have a "No Nits" policy. Active cases of head lice need to be treated adequately prior to camp admission. If a camper is found to be with head lice or nits he or she will not be admitted into camp. Please inform your camper(s) not to share hairbrushes, hats or hair accessories.
- Please make the nurse aware at registration of any special health concerns for your camper(s).

If you have any questions please contact Nurse Fran at 727-379-5034 or fringers@wol.org.

Thank you for your cooperation in this matter.

Sincerely,

Word of Life Florida Youth Camp
